

Congratulations TopFlight 2015 General Agents

Security Mutual's TopFlight program was established more than fourteen years ago to provide our top General Agents and their producers with sales support, exceptional communications and resources dedicated to helping them achieve their goals and objectives, along with priority handling of TopFlight members' new and existing business. Top Flight members are also provided access to Steven Schanker, notable estate planning attorney. TopFlight members' loyalty, industry insights and professionalism set them apart amongst agents in the life insurance industry.
