Important Notice to Modified Endowment Contract (MEC) Owners:

Under the current tax law, money taken from a MEC in the form of policy or premium loans, partial surrenders, assignments, pledges, withdrawals, or loans secured by the policy are subject to income tax and possibly penalties. Accordingly, the action you are taking may have income tax consequences. The amount of the distribution (to the extent of policy gains) must be included in your gross income and is taxed at ordinary income tax rates. Policy gain equals the difference between the cash value and the net investment in the policy (cost basis). Please consult with your attorney or tax advisor before acting.

SECTION TWO – Tax Withholding Election

6. Please check a box below to indicate your withholding election. For Tax Sheltered Annuity Life Policies, we are required to withhold Federal income tax at the rate of 20%. For all other Policies, we are required to withhold Federal income tax at the rate of 10% unless you elect not to have withholding apply. Even if you elect not to have Federal income tax withheld, you are liable for payment of Federal income tax on the taxable portion of the amount withdrawn. You also may be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate.

A) I do not want to have Federal income tax withheld from the proceeds.
 B) I want to have 10% of the taxable gain withheld from the proceeds for Federal income taxes. (The Company will reduce the withdrawal amount by 10% of the taxable gain)
 C) My Policy is a TSA and I understand 20% of the proceeds will be withheld for Federal income taxes. (The Company will reduce the surrender amount by 20% for TSA policies)

If no election is made, tax will automatically be withheld.
